SIZE RATIO AND STYLE TYPE ANALYSIS

- Festive Bias & Heritage Remix Lab: 1:1:2:2:1

Focus on M & L (core demand), controlled XS & XL to reduce overstock

- Hi-End Prêt: 1:1:2:2:2

Higher XL for broader age fit (20–45), structured silhouettes

- Wedding Guest: 2:2:2:2:2

Equal distribution to maximize high-value sales across all body types

- Print Your Personality: 2:2:2:3:3

Strong L & XL push → reflects inclusivity + expressive dressing
